

Dear Friends,

You are invited to share worship and crafts at the **Good Friday Workshop** on April 18th 2025 at **St John's church, Mortimer**. We will gather from **9.45am** to sing Holy Week hymns/songs and walk with Jesus through the Stations of the Cross. After refreshments, you may choose to make an Easter nest, decorate a biscuit, make and fill an Easter basket, colour a sun catcher and much more.

It would be helpful if each child could bring a named bag to carry the crafts they create.

The workshop will finish at **11.30 am** with more singing in the nave.

Booking your place helps the team to prepare sufficient crafts and materials. You can book your place by:

- telephoning or emailing the Benefice Office on 0118 9333704 or admin@mortimerbenefice.co.uk with your child's name, age, emergency contact numbers, email address and any additional needs
- returning your form to school or the Benefice Office at St. John's church

A donation of £4.00 per child is invited for materials and this may be brought on the day. Under-fives may need help from their own parent or carer as crafts are designed for 5-11's. If you or older teenagers are able to assist with craft activities or refreshments during the workshop, we would be very pleased to have your/their help.

Diocesan/Benefice Safeguarding policies and procedures inform planning and supervision. All God's children are respected and protected.

Easter hope and joy,

Fr. Paul Chaplin, Vicar

Good Friday Workshop - St John's Church - Booking Form

Child's name: _____ Age: _____
