### 'STATIONS OF THE CROSS - THEN AND NOW' on Thursdays in Lent at 8.00 pm online at Zoom: <https://us02web.zoom.us/j/6931233940>

There are fourteen 'stations' but we shall zoom two each week for our weekly reflection, which should last no more than ten minutes.

The way of the cross is not confined to a lonely road in Jerusalem two thousand years ago: it is a busy highway winding through every village, town and city in our modern world. Fr Denis McBride guides us along the way. Some of the images he has chosen may shock you but they will demonstrate how the passion story of Jesus continues in our own time. The Gospel, the Christian message, best comes alive when the story of Jesus resonates within our hearts and our personal experience. Let 'The Stations of the Cross - Then and Now' shine new light on your own journey and share the experience with the wider parish community. God bless.

*If you have any difficulties with getting online with Zoom please do not hesitate to contact the tech. team at 0118933136.*

### Benefice Lent Prayer

As the days lengthen and we spend longer in the light of day  
Grant that I may spend longer in the Light of Your Presence O Lord  
and may those seeds of Your Word which have been long buried within me  
grow like everything around us into love for You and love for all Your people.  
Grant, Lord, that this Lent there may be a Springtime for my life in Christ.  
Amen
